Census 2020 Snapshot and Data Query Tool

- Summarizes Census 2020 data
  - by County, City/Place, School District, Congressional District, Texas House and Senate Districts, Voting Districts and Census Tracts.
- The tool illustrates population change in the last 10 years by 1-square mile and 9-square mile grids
- The advanced tool summarizes data for user defined geography based on the Census Block-level data
- The data query tool allows to filter the historic Census data for various geographies and download them.
